_____ **I require ADA accessible seating?**

Note on ADA ACCESSIBLE SEATING

Due to some adjustments to the Americans with Disabilities Act (ADA) compliance required in the Chapman Cultural Center Theater, only patrons with ADA mobility issues and mobility devices (i.e. walkers, wheelchairs, scooter, etc.) will be eligible to request ADA seating this season. This is due to overwhelming feedback we've received from community members with disabilities, voicing their frustration at not being able to attend performances due to a lack of accessible seating. We always strive to provide the best possible experience for all our patrons and want to be as welcoming and inclusive as possible. Therefore, we kindly ask that if you do not require ADA seating and do not require mobility assistance, that you do not request those seats and take them from people in need.
