

ballet spartanburg

center for dance education

Sensory Sensitive *The Nutcracker*: This performance is specifically designed to be accessible and equitable for children with multi-sensory and multi-challenging needs. Accommodations include: lowered music volume, no flashing lights and no crescendos. For 34 years, families have celebrated the joy and excitement of Clara's adventures with her Nutcracker Prince. With new snow costumes for the iconic snow scene, snow falling like an icy, white curtain, Christmas begins with the tradition of *The Nutcracker*, directed by Carlos Agudelo. Twichell Auditorium. Converse University
