- Tuition is calculated on an annual program rate. We offer payment installments for your convenience. Since tuition rates are not based on the number of classes attended monthly, the amount due may not be Pro-rated based on the number of classes attended. Full monthly tuition is due until an official withdrawal is made and will be effective the following month. In the case of annual or semi-annual tuition payments, a refund will be issued based on the official withdrawal date.
- Payee is responsible for tuition payments until an official withdrawal is made. Official withdrawal must be made in writing via the *Class Withdrawal Form*.
- Tuition does not include registration fees, production fees, or recital fee.
